## NIELSON VINEYARD

2014 *PINOT NOIR*

### WINERY DESCRIPTION

A good share of Byron winemaking takes place in the vineyard, where winemaker Jonathan Nagy selects individual rows and blocks for their potential to express both variety and site—focusing particularly on clones that best exemplify Byron’s balanced, textural and site-expressive style.

Byron’s site-specific Pinot Noirs are deeply rooted in the vineyards of Santa Barbara County’s two defining appellations: Santa Maria Valley and Sta. Rita Hills. The wines explore each vineyard’s block and row distinctions defined by soil, microclimate, fog cover, wind, exposure, elevation, clonal selection and farming techniques.

### WINE DESCRIPTION

Originally planted in 1964, Nielson is the site of Santa Barbara’s first commercial vineyard, and has been Byron’s estate vineyard for over 30 years. The historic, cool-climate, benchland vineyard serves as a model for Santa Barbara’s viticultural experimentation and sustainable farming methods.

This wine is a combination of Dijon and Heritage clones planted in sandy soils on our estate Nielson Vineyard. The site’s location at the warmer, east end of the Santa Maria Valley accounts for the dark color and ripe flavor profile. This wine was 100% destemmed to accentuate its naturally rich texture and seamless tannins, then cold-soaked for three to five days to intensify the dark fruit character, color and body.
