

BYRON

BIEN NACIDO Q BLOCK

2017 PINOT NOIR

WINERY DESCRIPTION

A good share of Byron winemaking takes place in the vineyard, where winemaker Jonathan Nagy selects individual rows and blocks for their potential to express both variety and site—focusing particularly on clones that best exemplify Byron’s balanced, textural and site-expressive style.

Byron’s site-specific Pinot Noirs are deeply rooted in the vineyards of Santa Barbara County’s two defining appellations: Santa Maria Valley and Sta. Rita Hills. The wines explore each vineyard’s block and row distinctions defined by soil, microclimate, fog cover, wind, exposure, elevation, clonal selection and farming techniques.
